

## ELECTIVE SURGERY

### THE RUIDOSO EXPERIENCE FEBRUARY, 16—19, 2012

Join us in the mountains for a Valentine's marriage experience. Enjoy days with your spouse in beautiful Ruidoso, NM and evenings exploring how you can maximize our marriages.

This year's theme is "ELECTIVE SURGERY" and the teaching will be placed on our Biblical Worldview, lifestyle & culture definitions and how they all affect our marriages. We will look at issues such as finances, expectations and "constant contact". Individual counseling is available throughout the weekend.
